Foreword

“Statistical Diary, U.P. 2016” is the 49th issue of the series. It is an excellent publication of the Division of Economics and Statistics, U.P.

The publication provides the state/district level latest data alongwith inter state information regarding the development of the State in various socio-economic sectors. To facilitate the comparative study of the development of the State, most of the tables of the publication contain the latest data as also data relating to past few years.

152 tables have been provided in this edition. Published data in the publication have been furnished by the respective departments/ agencies.

I express my gratitude for the continued and generous co-operation extended by the concern departments and organisations in bringing out this publication. I would also like to extend my appreciation to all the officers and staff of the Economics and Statistics Division who have contributed in compiling this Hand book.

I am sure the publication would be useful to planners, policy-makers, research workers and the academia. Important suggestions for bringing about improvements in the publication are welcome.
