## **Preface**

Economics and Statistics Division of the State Planning Institute, Uttar Pradesh has been bringing out the brochure "U.P. At A Glance (In Figures)" in Hindi every year since 1991. To facilitate the users, English version of the brochure "U.P. At A Glance (In Figures)" was brought out for the first time in the year 2009. The present "2021" edition is the twenty-first issue of this series.

The publication is presented in two parts. The first part comprises socio-economic data of the State for the year 2011-12 and the available data for two recent/latest years. In the second part some important indicators related to U.P. have been compared with the corresponding indicators at the national level.

I am grateful to concerned departments of Central and State Governments, for their cooperation in providing the necessary data for publishing this edition.

I am sure that the brochure will be very useful for statisticians and many other users and researchers. Suggestions for further improvement are always welcome .
