

POVERTY AND SOCIAL MONITORING SURVEY (PSMS-V)

(PSMS-V) was conducted by DES, UP with the objective to collect data on household consumer expenditure, employment-unemployment, education, health, Government programmes etc. The data was collected by employing sampling methods. The period of survey was from Jan-16 to Dec-16. The survey period of this round was divided into four sub-rounds of three months' duration each. For the survey 2432 samples were selected. The Schedules of enquiry canvassed during survey were-

1. Schedule 0.0- Listing schedule
2. Schedule 11-House hold consumer
3. Schedule 99- poverty module
4. Schedule 0.25- school information.

After the survey work, data entry of the information associated with the units in the specific software designed for the purpose was undertaken and finally the report based on the interpretation of data was published in the year 2019-20
